Foreword

We are happy to bring out the new edition of the “Catalogue of Audio Visuals” for our valued customers.

Besides increasing the size of the Catalogue, some new features have been incorporated. For each title, a write-up has been given describing its contents. A number of attractive “Special Offers” have been introduced for the benefit of the customers, viz. “Highlights 2007 & 2006”, Packs of “Festivals at Prasanthi Nilayam 2002/2003/2004/2005”, “Prasanthi Mandir Bhajans”, etc. **We have also introduced a section which gives the details of the photographs that are available with us.**

An Index of the titles, in alphabetical order with their page numbers, has been given at the end of the booklet for quick location of a title in the Catalogue. Bhagavan’s Divine Discourses for 2001, 2002, 2003, 2004, 2005, 2006 and 2007 and some other titles are now available in mp3 format.

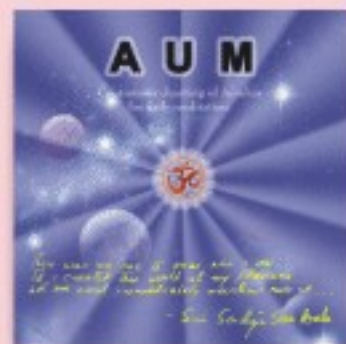

We invite you to visit our website www.sssbpt.org which gives information about our books and audio-visuals. Orders can also be placed through this site.

We would welcome suggestions for improvements, which may kindly be conveyed to us through our e-mail address, enquiry@sssbpt.org

God is described in Vedas as having thousands of heads, thousands of eyes and thousands of feet. Here thousand signifies His vastness in existence and strength. Similarly, 1008 names are 1008 qualities attributed to Lord Sai, though they are innumerable. Divine names support the aspirants for receiving Divine grace.

This is but a humble endeavour to help the devotees visualise the cosmic form of Lord Sai and experience His infinite power.

The Bhagavad Gita A Walkthrough for Westerners

mp3 CD Rs. 100
Code : 6693
Duration: 5 Hr 35 Min

The Bhagavad Gita has been called India's greatest contribution to the World. For more than 5,000 years, this great spiritual text has shown millions in the East how to fill their lives with serenity and love, and has guided countless souls to Self-realization. Jack Hawley invites you to join him (and the scores of thousands who have read his book) on a practical, treasure-laden stroll into the spiritual heart of ancient India. He makes the story of the Gita clear and exciting, and brings its high truths home to us in a way that is easily applied to our busy, complex lives. NEVER BEFORE IN HISTORY HAVE THESE GREAT TRUTHS BEEN SO SORELY NEEDED. The Gita is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. To hear the Gita is to be inspired in the true sense of the term, to be "in-spired," to inhale the ancient and ever-new breath of spiritual energy. Dr. Jack Hawley is a consultant-writer who works to instill new energy, heart and spirit in large organizations and societies. For the past generation he and his wife have spent half of each year in India learning, teaching and living by the principles and ancient spiritual values, he personally shares with us here.

The Beauty of Truth

Video CD Rs. 75
Code : S430

The Beauty of Truth presents Sathya Sai Baba's teachings in a way that touches the soul. The film reaches the hearts of all seekers of truth. It speaks the words of truth as they are taken from His teachings.

Sathya Sai Baba stands forth as a beacon for a new age instilling in all qualities of compassion, charity, service and righteousness. Sai Baba says, "It is not the world that binds man. It has neither eyes to see nor hands to hold. Man is a prisoner of his own thoughts and desires. In his attachment to the ephemeral and the perishable, man forgets his innate divinity and does not realize that everything in the universe has come from the Divine and cannot exist without the power of the Divine. One has therefore to raise consciousness beyond the mind to achieve self-realization. This video was filmed by Cosby Powell during Bhagavan's visit to Ooty in 1980's

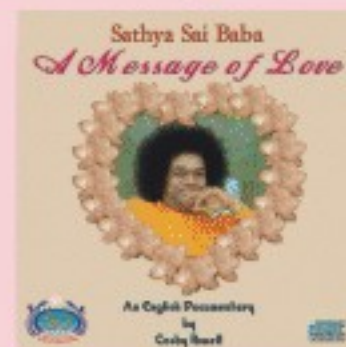

Sathya Sai Baba Talks to Westerners

Video CD Rs. 75
Code : S396

Here is a video that has captured the precious advice that Bhagavan Baba gave to a group of overseas devotees at Kodaikanal. He said: "You have come here travelling long distances after spending lot of money. It is not to load your mind with desires. You must practise detachment from the world by attaching yourselves to the Spirit, the inner core, the guiding force. You must also practise 'silence'. Too much of talking means loss of precious cosmic energy. If energy is lost you develop allergy causing diseases and ill health. The mind is a mad monkey; the body is just a water bubble. Do not attach undue importance to both. Reduce the desires and there will be no mind to distract you. When the mind is free from unwanted desires, it will help you to concentrate and get more and more attached to the Spirit resulting in Bliss. So make yourselves free from the clutches of desires for achieving higher goals."

This video was filmed by Cosby Powell in 1991 in Kodaikanal.

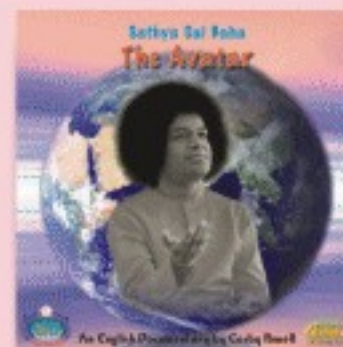

Sathya Sai Baba A Message of Love

Video CD Rs. 75
Code : S395

A Message of Love is an offering of love to everyone. It speaks the universal language of the heart, which is beyond the mind or intellect. The subject is Sai Baba's message to all, that God is love.

He speaks constantly of a universal message of love. "I have come to light the lamp of love in your hearts to see that it shines day by day with added lustre; I have not come on any mission of publicity for any sect or creed or cause, nor have I come to collect followers into my fold or any fold. I have come to tell you of this universal, unitary faith, this path of love, this duty to love, this obligation to love. Believe that all hearts are motivated by the one and only God; that all faiths glorify the one and only God, that all names in all languages and all forms man can conceive, denote the one and only God. Foster love, live in love, spread love. This is the message of love I bring to you."

This video was filmed by Cosby Powell in the year 1982 in Prasanthi Nilayam and Brindavan.

Lingodbhavam

Video CD Rs. 75
Code : 6740

The Lingam is a symbol, a sign, an illustration of the beginningless, the endless, and the limitless -- for it has no limbs, no face, no feet, no front or back, no beginning or end. Its shape is like the picture one imagines the Nirakara (Formless) to be. In fact, lingam means Leeyathe (that in which all forms and names merge) and Gamyathe (that towards which all names and forms are proceeding to attain fulfilment). "It is the firstest symbol of the All-Pervasive, the All-Knowing, the All-Powerful". For complete control on Desires, Lord Shiva burnt the God of Desires, Manmatha, and smeared His body with the ashes. It is for this reason that Shiva is also revered as Lingeshwara and Lingodbhava. The Lingam has been an ovoid-shaped HIRANYAGARBHA of gold, shining with incredible lustre. Swami brings out the Lingam, so that people may realise that behind Creation there is a Creator who is Supreme, and who alone grants permanent Bliss.

We witness the breathtaking manifestation of Lord Rama's ring given to Hanuman before leaving for Lanka, and Swami's much beloved darshan, bhajans, discourses, conversations with students, and visits to devotees' homes.

The thirst is never slaked nor is the hunger for the Lord appeased. Atilio Spinello has captured Bhagavan's Darshan interspersing it with nature sceneries and Bhagavan's younger days' photographs in an aesthetic manner. Nature is God, says Bhagavan. True to the saying, the fusion is appealing to the eye. To cap it all the soothing Bhajans wafts in the background. As the celebrated poet William Wordsworth says, there is a spontaneous overflow of powerful feelings, an upsurge of emotions, a longing for the Lord as one watches this 26 minute video of Bhagavan's Darshan.

Taking notice of his talent, his mother put him under the tutelage of Vidwan Sri Seetharama Sharma at the tender age of six. His first concert was at the Spirit of Youth series organized by the Music Academy, Chennai. He received numerous awards and titles, notable amongst which are the Young Achievers Award by India Today and the Bismillah Khan Yuva Puraskar Award by the Sangreeta Natak Academy. He has also undergone special Ragam Thalam Pallavi (a special component in a Carnatic music concert) training under Sri Chengalpet Ranganathan. He had advanced training from Dr. Semmangudi Srinivasa Iyer for more than seven years. As a composer, Krishna has assisted his guru Sri Seetharama Sharma in many of his compositions like musical operas like The Ramayana (presented in The Reunion Islands in 1993), orchestra presentations and choir presentations. He has set music to a number of lyrics and compositions. This video brings to you the resonant and mellifluous voice of this classical carnatic vocalist, who gave his concert in the divine presence of Bhagavan Sri Sathya Sai Baba.

Music Concert - A. Hariharan (23 Nov. 2007)

Video CD	Rs. 75
Code :	7357
DVD	Rs. 150
Code :	7355

One very fondly remembers Padmashri Hariharan's first musical concert in the Divine presence of Bhagavan Sri Sathya Sai Baba in the initial years of his career. He sang before Bhagavan in the Shanmukhananda Auditorium, Mumbai. His family members, especially his mother, are ardent Sai devotees – Indeed his mother's prayers and blessings have borne fruit in the name and fame of Sri Hariharan. Sri Hariharan gave a vocal concert in the Divine presence during Ashadi Ekadashi celebrations at Prasanthi Nilayam on 24 July 2007, for which the video is available. This disc presents the recording of the concert performed by Sri Hariharan in the Divine presence of Bhagavan, as an offering of his love and devotion to the Lord on the occasion of 82nd Birthday celebrations of Bhagavan Sri Sathya Sai Baba at Prasanthi Nilayam on 23 November 2007.

Radio Sai Global Harmony was launched when Bhagawan Baba pressed a button to start airing the service on the 23rd of November 2001. This is a 24/7 digital radio channel bringing Bhagawan Baba's universal message of peace, love and global Harmony, offered in collaboration with Worldspace Corporation.
